

Editorial

I am delighted to present this issue of the *UP State Dental Journal* that has a focus on ‘Treatment outcomes in Dentistry’ with different topics like bleaching, cancer management, anxiety management ,dental implants and social media.

This issue contains different topics of dentistry with a focus on the outcomes of a range of clinical treatments undertaken within the specialty. The articles have critically appraised current evidence on the outcome of clinical procedures provided in dentistry.

My sincere thanks to all the authors for their valuable contributions, Hon. State Secretary Dr Sachin Prakash, President Dr, Amit Shukla, past president Dr Umesh Sharma and whole Executive Members of IDA UP State .

I also acknowledge the suggestions and help of Dr Arvinder Singh, Dr Ashish Khare, Dr Rajeev Kumar Singh, Dr Ram Autar, Dr Pragya Pandey and Dr Saumya Johri during the development of this issue.
